

We are proud of our results!

The Problem:

Telemarketing in the health and medical sector can be tricky, especially when you must stay on top of Do Not Call (DNC) regulations. Get Called LLC was juggling the high costs of scrubbing phone numbers with their previous provider. They needed a reliable, cost-effective way to scrub phone numbers before making calls without dealing with expensive subscriptions or complicated setups.

The Solution:

Searchbug's Phone Validator API with DNC Checker Integration into Ringba Platform

Get Called LLC found their answer with Searchbug. They were able to streamline their entire telemarketing compliance process by integrating the Phone Validator API with DNC Checker directly into their Ringba platform. Now, every number gets checked against the DNC list in real-time. The result? Faster operations, spot-on compliance, and cost-saving solutions.

Searchbug's Phone Validator API with DNC Checker provides critical data points that keep Get Called LLC compliant with telemarketing laws

With these insights, Get Called LLC can confidently scrub its call lists and minimize the risk of DNC violations and TCPA-related lawsuits.

The Result:

Compliance and Savings in One Package

Since switching to Searchbug's API, Get Called LLC has enjoyed smoother compliance management and significant cost reductions. By avoiding costly subscription fees and only paying for the data they actually use, they've been able to stay compliant without busting their budget. Plus, the accuracy of the API has made their telemarketing campaigns more efficient and effective

Get Called LLC Shows Commitment to Compliance and Consumers

Get Called LLC takes its responsibility as a third-party call center firm seriously. They are committed to respecting consumer rights and staying fully compliant with telemarketing laws. This dedication protects their business and ensures that the clients who partner with them can trust their adherence to legal standards. Whether they're working with healthcare providers or other industries, businesses can be confident that Get Called LLC prioritizes the integrity of every call.

SearchBug is a professional online service for finding and investigating people, businesses, addresses, phone numbers, conducting social security number verification in lieu of e-verify, and much more.
